

## CORONAVIRUS (COVID-19) POLICY STATEMENT

Safari Company recognizes its social responsibility to its customers, staff, suppliers and the overall community health and is committed to mitigate the spread of the coronavirus (COVID-19) infection.

By setting a COVID-19 policy, Safari Company aims to ensure its ongoing commitment towards social and legal responsibilities of prevention and mitigation of COVID-19 infection. This policy is communicated with the full support and enthusiasm of all the Management team and employees – all of whom are accountable for the COVID-19 preventive measures implementation in our business.

This coronavirus (COVID-19) policy is susceptible to changes with the introduction of additional governmental guidelines. If so, we will update you as soon as possible by email.

Safari Company is fully committed:

- ✓ To identify and manage the risk of COVID-19 infection in its activities.
- ✓ To comply with local & international COVID-19 infection prevention guidelines & regulations.
- ✓ To implement awareness program on COVID-19 infection prevention and protection.
- ✓ To promote self-isolation and remote working when returning from international travel and dedicate isolation facilities to pre-symptomatic and COVID-19 positive tested individuals.
- ✓ To provide competent personnel for health monitoring and screening at all Safari offices, staff accommodations and projects.
- ✓ To implement a disinfection program for common facilities.
- ✓ To implement social distancing in Safari operations including in workforce mass transportation.
- ✓ To promote frequent hand washing & sanitising and provide such health and hygiene facilities.
- ✓ To provide personal protective equipment (PPE) i.e. face mask, gloves & body cover etc.
- ✓ To ensure COVID-19 emergency response plan is available and isolation facilities are provided.
- ✓ To ensure that Safari's preventive and protection measures are documented, implemented and communicated to all relevant parties.

We will act responsibly at all times to prevent and mitigate infection spread, by increasing awareness programs, strict hygiene & disinfection practices, social distancing and PPE where possible.

This policy statement is communicated to all employees and concerned parties through awareness emails, notice boards, toolbox talks, training and other OHS promotions. This policy shall be displayed in a conspicuous location throughout the Safari offices and operating projects.
