Occupational Health and Safety Policy Statement

Safari Company has a regard for the work environment and its most important asset-our people and in doing so we shall strive towards a zero-tolerance culture. Safari has implemented and maintained the Occupational Health and Safety Management System based on ISO 45001-2018 standards.

Safari works with its suppliers and business partners to customize, implement and support the company's services. Their addressing an ever changing market place, technology and customer requirements in a controlled and safe manner.

Safari established, implemented and maintained procedures for the ongoing hazard identification, risk assessment and determination of necessary controls, includes; eliminate, reduce or substitute, isolate, control (administrative or engineering), personal protective equipment and discipline.

Safari Company is committed to the following;

- ✓ Implement a framework for establishing OHS objective and elements
- ✓ Implement an injury, illness and damage or loss prevention program & OHS elements
- ✓ Comply with all the OHS statutory and legal requirements
- ✓ Compliance to local and international regulatory standards
- ✓ Committed to the security and well-being of all occupants, employees, visitors and Client representatives
- ✓ Safari is committed to continuously improve its operational performance in regards to OHS

We provide and maintain an OHS work environment and protect our employees, customers and general public during the execution of all projects.

Our focus for OHS is the responsibility of every employee, supplier and contractor; this shall assist in eliminating hazards, impacts and risks. All operations shall comply with relevant statutory requirements and all employees, suppliers and contractors shall at all times adhere to the related responsibilities, procedures, and measures which are clearly laid out in this OHS policy and relevant procedures.

This policy statement is communicated to all employees and concerned parties through awareness training and OHS promotions. This policy shall be displayed in conspicuous location throughout the Safari offices and operating projects.

Saleh Al Sagri
